PROFILE

I hold a degree in Computer Engineering from Universidade Fernando Pessoa and am seeking an opportunity to work in the field. I have a solid background in programming, databases, and software development, gained through academic projects and practical experience.
I possess skills in HTML, CSS, Bootstrap, JavaScript, React, Java, C, PHP, Laravel, Flutter, SQL, Git, and GitHub. I am highly motivated to apply my knowledge in a professional environment.

PROFESSIONAL EXPERIENCE

Sales Assistant- Worten

September 2024 - Present

I currently work part-time at Worten in the IT department. During the final year of my degree, I balanced this job with university, which allowed me to deepen my contact with technology, stay up to date with industry trends, and advise customers on suitable solutions. This experience has strengthened my skills in customer service, personalized consulting, and teamwork.

Guest Reception

February 2024 – October 2024

I was responsible for welcoming guests ("check-in") at a local accommodation in the city of Porto. In this role, I received guests from all over the world on a weekly basis, which allowed me to improve my English skills and enhance my communication techniques.
